**dcomercial@texvi.cu**

The image features several rolls of white surgical gauze. In the foreground, there is a large roll lying flat, showing its circular center hole. Behind it, several other rolls of varying sizes are stacked and arranged. Some rolls have their edges frayed, showing the gauze's texture. The entire scene is set against a solid teal background.

# White Surgical Gauze

Hydrophilic, non-sterile,  
100 % Cotton

CEDMED certified
